

How Effective is your DR/Business Continuity Plan?

If you would like to learn how to implement a cost effective DR Plan or Business Continuity Plan, join us Wednesday, September 8th @ 4pm at Chase Field.

After the seminar join us in the right field suites for the Arizona Diamondbacks vs. the San Francisco Giants! Food and adult beverages will be provided during the game. (Seating is limited to 2 people per company)

If you or your company can answer yes to any of these questions then you need to attend this informative and educational seminar.

- Does your company need a DR Plan but don't think you can afford it?
- Are you being challenged to ensure your Business Continuity Plan is in place, always works and costs are kept low?
- Do you need to upgrade your DR infrastructure?
- Do you need help from someone is an expert in designing and implementing DR/Business Continuity Plans?
- Do you need to do more with less and keep costs low?
- Do you have remote offices where you would like to be able manage IT more effectively?
