

Complimentary Admission to the Arizona Technology Summit!!!

Custom Storage once again will be sponsoring the Arizona Technology Summit and would like you to join us!

The **Arizona Technology Summit** is coming to the Phoenix Convention Center September 15th 2010 from 8am - 5pm. This year the conference theme is "**IT in the New Economy**". Don't miss the opportunity for a great day of education, presentations, networking, exhibits, free lunch, and a chance to win a trip to **Maui**!

Receive complimentary registration courtesy of **Custom Storage** with the code **ats10-custom**. **Register now** and **click here to add it to your calendar**.

Speakers Include:

Chad Kirkpatrick: CIO - State of Arizona
Neal Puff: CIO - Yuma County
Jonathan Harbor: CIO - Blood Systems
Colleen Carmean: Digital Knowledge Architect, Arizona State University
David Moore: CIO, Sonora Quest Laboratories
Erik Graham: Principal Information Security Engineer, General Dynamics
